<https://hampshireswimming.com/speed-swimming/county-swimming-competitions/2025-county-swimming-championships>

- 4.3 All clubs must familiarise themselves with the entry system including the submission of test entries well in advance of the closing date. Any issues with the entry system should be reported to the competition organisers as soon as they occur. Hampshire County ASA will have no responsibility to resolve any issues with the entry system where they are initially reported less than one week in advance of the closing date.
- 4.4 Clubs may submit files of entries in .SD3, .CL2 or .HY3 format. The event files for this competition will be available, in .EV3 and .HYV format, from the competition web site before the entry system is opened. Clubs may submit short course or long course times for each event. Times submitted must be actual times swum and recorded in rankings, not converted times.
- 4.5 All entries to this competition must be club entries, made by a designated club officer. Individual entries are not accepted¹. By submitting a club entry, the club accepts responsibility to conform to the conditions for the competition and to pay the appropriate entry fee.
- 4.6 All entries must be submitted before 20:00 on 17 December 2024.
- 4.7 Clubs may resubmit entry files to correct errors or to add/remove entries. Any such resubmission shall replace all previous entries from that club (other than entries for the para competition). Any such resubmissions must be received before the closing date for entries.
- 4.8 After all entries have been processed, clubs will be invoiced by e-mail for the fees for accepted entries. Payment must be received within 7 days of the issue of the invoice. Where payment is not received Hampshire County ASA may exclude that club from the remainder of the competition.
- 4.9 Late entries will not normally be accepted for this competition. If truly exceptional circumstances apply, then a late entry may be considered if a request is submitted in writing setting out why such a request should be granted. Any request will be considered in confidence. Problems with the entry system or swimmer illness will not be considered a valid reason.
- 4.10 For all individual events, Hampshire County ASA shall set automatic and consideration qualifying times. Both long and short course times shall be published. Swimmers must submit a time for each entry which has been achieved on or after 1st March 2024.
- 4.11 All times must be set in competitions licenced at level 1, 2, 3 or 4. Times must appear on rankings at the time of submission. Hampshire County ASA will not adjust times where there are delays in submitting times to rankings from previous competitions. Clubs may amend entries up to closing date. Improved times after the closing date will not be accepted. First leg relay split times are NOT acceptable. Times set in Masters competitions and appearing in Masters Rankings are NOT acceptable.

¹ It is necessary for entries for the disability competition only to be submitted individually but must form part of the club entry and be included on the club entry declaration sheet. Full details will be published on the competition web page.

- 4.12 Any invalid entry shall be rejected². Clubs are responsible for correcting any errors in their entries which cause an entry to be rejected. All such corrections must be made by submitting a revised entry file on the portal before the closing date.
- 4.13 Clubs are responsible for creating a valid entry file and submitting it to the entry system. Hampshire County ASA will have no responsibility to resolve any issues caused by invalid entry files or where clubs are unable to generate an entry file.
- 4.14 Hampshire County ASA shall determine the limit on the number of swimmers to be accepted for each event. The fastest entries for each event shall be accepted up to that limit, providing that the time is equal to or faster than the base qualifying time. The initial target number of swimmers for each event is as follows:

Distance	Age 10/11	Age 12	Age 13	Age 14	Age 15	Age 16	Age 17/Over

1500m	No event	12	12	12	12	12	12

- 4.15 Once all entries have been processed, the promoter³ may increase the number of swimmers to be accepted for any event, if time is available.
- 4.16 Where there are equal times for the last place(s), neither (none) of the entries will be accepted (unless time permits all swimmers in that position across the whole competition to be accepted)."
- 4.17 In the interests of safety and to ensure the smooth running of the Championships, or to comply with any changes to guidance for running safe events, the Promoter reserves the right to further restrict the number of entries in any event, in which case, the swimmers with the fastest submitted times shall take preference.
- 4.18 This is a long course competition. For the purposes of determining acceptance and seeding, submitted long course and converted short course files will be used.⁴
- 4.19 Photographs may be taken and used to promote the sport by Hampshire County ASA, and/or made available for download and purchase. All photography will conform to the "Swim England Photography and Photographing Swimmers Policy". Swimmers, or parents of swimmers under 18 years of age on the day of competition, may request that such photographs are not taken by completing a form to be made available on request before the closing date of the competition.

² Reasons for an entry to be deemed invalid include but are not limited to: Name cannot be matched against the Swim England Membership System, incorrect entry time, incorrect sex, incorrect membership number.

³ The Promoter for this competition is Hampshire County Swimming Association; The Promoter's representative is the designated Event Manager.

⁴ Short course times will be converted to long course using the Swim England (ASA) conversion tables.

- 4.20 Hampshire County ASA aims to provide a live video stream of this competition. It is not practical to exclude individual swimmers from that coverage.
- 4.21 Refund of Fees. Once entries have been confirmed, entry fees will only be refunded if the swimmer is unable to swim on medical grounds (this includes being instructed to self-isolate because of an infectious disease). Refunds may be requested by completing the withdrawal form on the competition website and indicating medical grounds as the reason for withdrawal. The county may, if necessary, request further information.
- 4.22 For team entries, clubs must declare the team members and order of swimmers. Declarations must be made using the portal and may be made at any time swimmers team members. Changes to the swimmers or order of swimmers must be submitted via the portal before the start of warm-up for the relevant session. The first 4 swimmers listed on the entry portal, at the start of warm-up, will be taken as the declared team.
- 4.23 All entries will be confirmed by e-mail to the club representative who submitted the entry, and a list of accepted entries will be made available as soon as possible after the closing date. The list will first be sent to the club representative who submitted the entries and then published on the competition web page 48 hours later.
- 4.24 After the closing date only, errors caused by the County may be corrected.

Club representatives must withdraw swimmers who are not intending to swim no later than the start of warm-up for the session in which the event is scheduled. Withdrawals must be made using the link on the competition web site or the QR code available poolside. Notification of withdrawals by phone or e-mail will not be accepted. A fine of £10 may be levied in respect of each competitor, or reserve in the case of finals, who fails to withdraw and does not present themselves at the start of the event including a Final (except in the case of genuine illness or a proven emergency).
- 5.1.3 Withdrawals are final. Requests to reinstate a swimmer who has been withdrawn will not be accepted.

5.2 Heats and Finals

- 5.2.1 Heats shall be held for all events.
- 5.2.2 Finals shall be held for all 50m and 100m events.

- 5.2.3 200m, 400m, 800m and 1500m events shall be decided on heat times and places (heat declared winner). Under exceptional circumstances, the promoter shall have the right to declare additional events to be heat declared winner.
- 5.2.4 Swimmers shall be seeded according to their entry time, slowest to fastest. The last 3 heats in all events with finals shall be cyclically seeded. Lanes for finals shall be spearheaded based on times recorded in heats.
- 5.2.5 For heat declared winner events, Hampshire County ASA may, at its discretion, seed the fastest swimmers in each age group to swim together in the last heats. Discretion will be based on ensuring the smooth running of the meet within overall timescales. Any decision to exercise this discretion will be published in advance.
- 5.2.6 In finals, the maximum number of places practicable shall be allocated. A maximum of four reserves shall be declared for each final.
- 5.2.7 If an additional swimmer is allowed to swim in a final (e.g. because of a successful protest or a foul by another swimmer) after finalists have been announced, and no other finalist withdraws, that final will be swum as two heats. The overall winner will be decided from the best times across both heats.
- 5.2.8 The names of finalists and reserves shall be announced as soon as practicable after completion of the heats. Announced finalists and reserves not intending to swim shall withdraw using the link available on the competition web page or the QR code available poolside.
- 5.2.9 All withdrawals from finals must be submitted no later than 5 minutes after the announcement of finalists from the last heat in the session of heats.
- 5.2.10 Swim-offs will be held where there are equal times for the 8th place in the final (50m and 100m events). The winner of the swim-off will be allocated a place in the final. The runner up(s) will become first reserve(s).
- 5.2.11 All finalists, including reserves, who have not withdrawn must present themselves to the marshals for the final in good time. Swimmers including reserves who do not present for the finals may be fined £10.
- 5.2.12 If a finalist withdraws within the time allowed, the final shall be reseeded. Where a reserve is brought in after this period, the reserve shall occupy the vacant lane and there shall be no changes made to the allocation of other lanes.
- 5.2.13 A final may not start earlier than 15 minutes after all the swimmers involved have completed their heat swim for that event.

5.3 Other

- 5.3.1 Time Trials will not be permitted during the Championships.

- 5.3.2 Swimmers are responsible for presenting themselves to the stewards in time for their race. There will be no call for missing competitors. If a swimmer does not present themselves for a final, the highest ranked reserve who presents themselves for the final shall swim in the vacant lane. For some or all events, swimmers may be instructed to report to the clerks of the course at the start.
- 5.3.3 Swimmers are advised not to wear personal headphones or earbuds in the marshalling area to ensure that they can hear instructions from marshals.

6. ACCESS TO POOLSIDE/SWIMMER SUPERVISION

- 6.1 Access to poolside is restricted to swimmers competing in the session and coaches, team managers and chaperones in possession of poolside passes, accredited officials and volunteers. Except for swimmers, everyone on poolside must wear a visible poolside pass, which will be available for purchase by coaches and team managers in advance of the competition. Volunteers', officials' and chaperones' poolside passes are complimentary. The process for purchasing poolside passes will be published on the competition web page.
- 6.2 All supervising coaches and team managers must abide by Swim England Wavepower policies and guidelines and shall have completed appropriate training in accordance with those policies and guidelines. Clubs must comply with Swim England supervision ratios. Hampshire County ASA recognises that the minimum supervision numbers may challenge small clubs. Several clubs may work together as a "virtual club" to ensure that there is sufficient supervision. Where clubs will operate as a "virtual club" they must notify the competition organisers in advance.
- 6.3 To manage space on poolside:
- swimmers are not allowed to carry a bag larger than a small draw string bag onto poolside

 - only 1 folding chair per club is permitted on poolside
 - any loose kit, such as fins, rollers and slam balls are banned from poolside during competition
- 6.4 Clubs must ensure that their swimmers are supervised at all times, including when warming up and waiting in their allocated place between events. Hampshire County ASA reserves the right to exclude swimmers from clubs which have not pre-purchased sufficient poolside passes.
- 6.5 Changing cubicles may only be used for getting changed.
- 6.6 Bags and any other personal items must not be left in cubicles. Hampshire County ASA or the Pool Operators may remove unattended items from the changing cubicles.
- 6.7 Only individuals in possession of visible poolside pass (see 6.1) and swimmers are allowed on to the pool deck, in the changing rooms or in the sports hall.
- 6.8 Anyone who deliberately contravenes any health and safety, safeguarding requirement or any unacceptable behaviour policy issued by the County, or the pool operator may be expelled from poolside, may be asked to leave the leisure centre, may have their poolside pass and may be denied poolside passes for future events.

- 6.9 Clubs are responsible for ensuring they remove all rubbish from any area they are based poolside at the end of each day. A fine of up to £50 may be imposed where the pool operator needs to carry out additional work, beyond that reasonably expected, to tidy and/or clean the poolside.
- 6.10 Hot drinks and hot food are not permitted poolside or in the changing area. Any swimmer, coach, team manager or volunteer with a hot drink may be asked to leave poolside.
- 6.11 As per Swim England's Wavepower safeguarding policy, mobile phones, cameras or any similar electronic device may not be used in the changing area. Anyone who deliberately contravenes this requirement may be expelled from meet and may be denied poolside passes for future events.
- 6.12 Anybody, including swimmers, who has any concerns about any welfare issue should raise the issue with the welfare officer on duty.

Full details of the number of spectators to be accepted and the procedures for purchasing tickets will be published on the competition web page.
- 7.2 Arrangements may be put in place to live stream all sessions on the Hampshire County ASA YouTube channel. Full access details will be published on the competition web page in advance of the competition.

- 9.1 Any dispute related to a matter not covered in these conditions shall be determined by the Promoter. Any individual who is not satisfied with such determination has the right to invoke Swim England Judicial processes.
- 9.2 If it is not possible to configure the pool for a long course competition, the competition shall run as a short course competition for impacted sessions.

- 9.3 If the structure of the championships must be changed for any reason, every effort will be made to take such a decision at least 5 days before the competition. Any change to the structure of the competition shall be published on the competition web site and communicated by e-mail to everyone who has submitted an entry.
