HAMPSHIRE COUNTY AMATEUR SWIMMING ASSOCIATION

YEAR ENDED 31st December 2024

Notes to the Accounts re Operating Statement

1. Club Subscriptions were increased to £2 per eligible swimmer through 2024 and will be renewed at this level for 2025.
2. Masters swimming receipts come from the running of the County Championships which for 2024 were held over two weekends. Overall Receipts were up compared with 2023 and costs did increase covering the pool hire for two weekends.
3. Swimming activities represent the holding of the County Championships and the sending of a representative team to the October National Inter-Counties Competition in Sheffield. In 2024 the Talent Camps were again reinstated and organised under the management from Winchester City Penguins Swimming Club.
4. Synchronised Swimming costs relate to a contribution to the running of a larger competition which includes County Championships events.
5. Water Polo receipts in 2024 were more timely and costs relate to entry fees for representative teams at different age groups for Inter-County Events.
6. There were no Capital Projects approved for 2024. Any replacements to the Swimming Competition Video Equipment is taken as a cost of running the County Championships.
7. Officials Development costs relate to the funding of Judge Level 1 on-line training, Officials first County Polo Shirt and some assisted travel costs during Officials training.
8. Disability Swimming, no costs were incurred during 2024.
9. Other expense items include a gradual return to face to face meetings and we are now incurring storage charges for the Counties collection of Championship Cups and Plates.

However, there is now a proposal that these amounts be used to support the Talent Camps now that they have been resumed.

14. Accruals are for Expenses relating to 2024 activities paid in 2025

HAMPSHIRE COUNTY AMATEUR SWIMMING ASSOCIATION

Report of the Treasurer on the Accounts for the Year ended 31st December 2024

I have to report that the financial position of the Hampshire County Amateur Swimming Association (the County) shows a surplus of £9827.11 for the year to the 31st December 2024. This mainly reflects the increase we made for 2024 to the Club Subscriptions increasing them from £1 to £2. The £2 will be unchanged for 2025. Costs continue to rise, especially for Pool Hire. The Swimming County Championships being the largest activity carried out have been greatly impacted by the Pool Hire costs at Winchester and the lack of viable alternative venues. As we were unable to fully recover these increases from Entry Fees and Spectator Charges in 2023 a decision to increase entry fees was made for the 2024 Championships which resulted in a surplus which is used to help fund the Inter-Counties team for the National competition in October and the resumed Talent Camps. This meant that for 2024 Speed Swimming were able to achieve a virtual break even point.

Club Membership participation numbers collected through Swim England were generally in line with the previous year and still represents a healthy participation level within the County.

The objective for 2025 is to again have a reasonably balanced Budget matching overall Expenses with Revenue generated but with the capacity within Reserves to ensure that we can respond to any Discipline requirements and support any Capital Project requests designed to enhance the sport.

The Counties Balance Sheet shows a robust position with significant cash held in two accounts at Barclays Bank.
